Contest Record of Events

SSA SC36 10

Use this form to record the times of contest-related events. For each event, enter an event type, the Contest ID (CID) of the glider, and the time. In the case of task opening times, enter the competition class in place of the CID. In the case of a start time report, enter both the reported time and the time the report was made. For towing and launch, enter the glider CID and the tug 'N' number. Clocks used for timing should be synchronized with GPS time.

Date	**Recorded By**

Event Types >>	**TO = Tow / Launch**	**TASK = Task Opening**	**ST = Reported Start Time**	**LDG = Landing**
