

Awards Committee Report

SSA Board Meeting, March 2018

2017 Status

Committee members are: Jay McDaniel (Chair), Ann Lafford, Peter Smith, and John Godfrey.

Jay coordinated with Rollin Hasness on a minor change to the rules for the SSA Distance awards. Any qualifying flights during a calendar year now have until the 31st of December of that year to be reported. The SSA Distance awards were added to the SSA Awards web page with a copy of the revised rules.

If the namesake of an SSA trophy was also an SSA Hall of Fame inductee then a link to his biography on the National Soaring Museum web pages was established.
