From: John Good, SSA Contest Committee Chairman

You will separately receive submissions from three sub-committees – Rules, US Team and Site Selection – intended for the Blue Book distributed to all SSA Board members in time for the upcoming SSA Board meeting in Reno NV. These include two items for which action is requested by the SSA Board:

- Changes to SSA Competition Rules proposed by the Rules Committee
- Changes to the US Team pilot selection process proposed by the US Team Committee

I expect both are suitable for inclusion in the Board's Consent Agenda.

I have separately notified Ken Sorenson that after many years I'm stepping down from the role of Contest Committee Chairman. To assume this position effective from March 2018, he has appointed Hank Nixon – whom I view as the best-qualified person for the job. I have informed Hank that I will be available to assist him in any way he deems appropriate.
