

To: Ann Lafford, SSA Executive Committee
CC: Trophy Committee
From: John Godfrey, Chair, Trophy Committee
Subject: Trophy Committee Report for March 2nd/3rd , 2018 SSA BOD meeting
Date: January 27, 2018

1. Completed Items

- Trophies were sent home with winner who executed the approved agreement.
- As of this writing, return shipping labels have been sent to winners and we are awaiting timely return of the outstanding trophies.

2. Ongoing Items

- Updating of the SSA website to expand historical information on endowers (leveraging the material currently appearing in the SSA magazine, which is slated to be posted on the NSM website).
- Prior to the convention, trophies will be updated and will be on display at the convention.

3. Recognition of Hatcher and Mozer Champions in Soaring Magazine

- We were unable to have included in the recent photo spread of competition winners a recognition of the Hatcher and Mozer winners (the top of the competition awards). The magazine editor and the Trophy Chair will meet to plan for next year

4. Solicitation of endowment for US Club Class winner trophy and speed trophy

- A solicitation announcement is included in the March Soaring along with the trophies and solicitation materials being present at the convention. If funding is achieved, we expect to announce at the banquet.

5. New Committee Chair

- Richard Maleady has agreed to assume leadership of the Trophy Committee.

6. Acknowledgements

- Denise Layton, organizing trophy logistics and US Club Class trophy endowment promotion.

Respectfully submitted,
John Godfrey (QT), Chair
