

JUNIORS Receive a 90% Rebate on Contest Fees!

The SSA offers any qualified US Junior pilot a rebate of 90% of their contest fees for sanctioned Regional or National contests. The rebate can be claimed for as many contests as you fly. It also applies to any SSA sanctioned Junior Racing camp.

To qualify for the rebate you must:

1. Gain entry to the contest
2. Get the written endorsement in advance of an experienced racing pilot as sponsor (who must agree to attend the full contest in some capacity) who will act as your mentor.
3. Attach your mentor's endorsement to the rebate application on the following page and send to us prior to the contest
4. Fly the full contest
5. Notify us and document that you flew the full contest by completing and submitting the second half of the form.

Fine print:

1. "Contest Fees" means net registration (entry) fees and contest tows (if charged separately by the contest) incurred by the entrant. This is net of any other rebates, refunds or discounts to the entrant.
2. You are a Junior if you are under age 26 on the first scheduled competition day.
3. USA Juniors only.
4. If you are flying as a member of a team, your rebate will be prorated accordingly.
5. Late entry surcharges are not covered.
6. Your mentor can either sign your application before you send it to us or send us an equivalent written agreement to be your mentor (e.g. email) prior to the contest.
